Hi Sally,

It feels like the summer just flew by! Hope you had a nice one as well.

I know we owe you some more FOIA documents, and should be able to get you the next batch in October, if not sooner. Apologies for the delay on that.

We have received the MOU and are having ongoing discussions and planning additional outreach with NJDEP, as well as the Miele Trust, DOI/FWS, Chatham Township and the performing PRPs. Regarding the draft FS, at this point we are waiting to see the FWS report prior to submitting comments to the performing PRPs; our goal is to get those comments out in October as well. The timeline referenced in the email you attached should have been included with the last batch of responses, but I've attached it again here for your reference.

Finally, I wanted to let you know that, in an effort to balance workloads, we will be transitioning the site to a new RPM, Rupika Ketu (copied here).

Thanks,
Stephanie

Hi Stephanie, hope you had a nice summer! I just wanted to touch base and see if there are any other FOIA documents coming. Have you received any comments from DEP, is there any EPA response to the recently executed MOU, and is there any update on a new draft FS? Also, see attached email from the FOIA request. Could I please get the timeline referenced in the email. thanks. best, Sally
